Some committees will need coordinators for next year - Staff Appreciation, yearbook, room parents, Spirit Nights, Spirit Wear and hopefully Carnival and activities with others to be determined. Come join us and grab a friend to help.

Rick Garcia volunteered to head up Dads club. He has a 5th grader so it will be his last year. Thanks Rick!

Ms Hummel requested Stem scopes budget be used for Scholastic News for next year. The Board will review the cost and vote if it is a possibility.

Spent \$6000 for online books for the library, teacher grants, and teacher appreciation.

Next years budget was presented and is attached to the minutes.

Proposed budget if very similar to this year - readjusted teacher grants back to \$6000 with a possible incentive increase based on fundraising.

We were balanced for the year and are set for next year with reserves but will hopefully be able to do more fundraisers and give more back next year.

Quick turnaround on the yearbooks. Thanks Balfour! Some were delivered to in person students already with a pick up date set for 6/2 for online students. This date coincides with another pick-up/drop off date at Oakland. More opportunities for pickup may be announced.

Visit oaklandPTO.org to purchase a limited quantity of extras. Looking to train new volunteers to take over yearbook since this will be Jennifers last year at Oakland.
