Old Business- Darla

Raise Craze was a success and raised \$4285.

Darla has submitted a request for a proposed stencil design for the playground (approx \$2000 - not including paint). When we receive the quote she will update the board on paint cost and attempt to get some materials donated.

Gratitude award for 20-21 School year given to Kelly Williams - Looking for new members for committee to decide gratitude award for future awards.

Darla appointed Kerry and Melissa for the Nominating committee for next years officers. Will Approach Danielle Slikker to join since our bylaws call for 3 people.

Current Nominees for Officers for next year are:

Courtney Jackson - Treasurer
Samantha Wilbanks - Secretary
Jennifer Kohrs - Vice President
Darla Lutz - President

New Business- Darla

School asking us to pay for Scholastic news bill \$5579.53 - Questions about who has paid it in the past. We decided not to cover this year due to fundraising amount from this year being low. Discussed how to move forward with an amount to give the principal

Couches had been requested and were approved for the front lobby. Discussed an amount that would be reasonable. Jennifer made a motion to give a \$2000 budget to replace the 2 couches in the front lobby. Samantha seconded. Everyone approved. Courtney will work to coordinate the purchase so the bank doesn't alert to the large amount.

Asked Ms. Garcia about 5th grade celebration. Waiting to hear what is going to be done this year and how we can support it.

Discussed setting up budget committee meeting to work through next years budget.

Treasurer's Report - Courtney

Paid lots of teacher reimbursements for the year recently. Paid CPA for taxes. Received check from Randalls for about \$390. Received donation notification from company matching program. We will be on the lookout for the check.

Amount in bank:
